# Remembrance Candles

*As we light these four candles in honor of you we light one for our grief, one for our courage, one for our memories, one for our love.*

*This candle represents our grief. The pain of losing you is intense. It reminds us of the depth of our love for you.*

*This candle represents our courage to confront our sorrow, to comfort each other, to change our lives.*

*This candle is in memory of the times we laughed, the times we cried, the times we were angry with each other. It is in memory of the silly things you did, the caring and the joy you gave to all of us.*

*This candle is the light of love. As we enter the holiday season, day by day we will remember the special place in our hearts that will always be reserved for you.*

## *Litany of Remembrance*

*Leader:* Let us remember those whom we have loved;  
In the rising of the sun and its going down,

**People:**       **We remember them.**

*L:* In the blowing of the wind and in the chill of winter,

**P:**       **We remember them.**

*L:* In the opening of buds and in the warmth of summer,

**P:**       **We remember them.**

*L:* In the rustling of leaves and the beauty of autumn,

**P:**       **We remember them.**

*L:* In the beginning of the year and when it ends,

**P:**       **We remember them.**

*L:* When we are weary and in need of strength,

**P:**       **We remember them.**

*L:* When we are lost and sick at heart,

**P:**       **We remember them.**

*L:* When we have joys we yearn to share,

**P:**       **We remember them.**

*L:* For as long as we live,

**P:**       **They too shall live, for they are now a  
part of us as we remember them.**

## Light A Candle

Leader: The seasons come and go,  
And I'm weary from the change.  
I keep on moving on, you know it's not the same.  
And when I'm walking all alone  
Do you hear me call your name?  
Do you hear me sing the songs we used to sing?

Leader: You filled my life with wonder, touched me with surprise,  
Always saw that something special deep within your eyes.  
And through the good times and the bad,  
We carried on with pride.  
I hold onto the life and love we knew.

*\*Please Light Your Votive Candle As We Read In Unison Below\**

**People: And I will light a candle for you.  
To shatter all the darkness and bless the times we knew.  
Like a beacon in the night  
The flame will burn bright and guide us on our way.  
Oh today I light a candle for you**
